Dear Mr. Fotheringham

Due to the continuation of the drought in Rich County, I am requesting permission to begin irrigating April 1, 2004, or whenever water becomes available for the R&W and Sage Creek Canal.

I would also like to take this opportunity to commend Ron Hoffman for the dedication and hard work he is providing for this area. He is a true professional and has handled his job with diplomacy and fairness.

Thank you for your consideration of this matter.

Sincerely,

Ross McKinnon
